PERSONAL BIO

Hi, my name is Indira Treon-Mutuma but I go by Indi. I am a highschooler in grade 11. I am athletic and love being active. At my school, I play volleyball as well as playing club volleyball. I like school, specifically English class because I like analyzing texts and writing. I have six members in my family; my mom, dad, sister, and I have two cats. We moved from Winnipeg, Canada to Minneapolis, Minnesota in 2006 a year after I was born and I love living here. My main acting goal is to be proud of all my work. I am an attentive listener and can take direction while still being an instinctive and free actor. I am very passionate about acting and put my all into it.
