Personal Bio

My name is Henry and I am 11 years old. I started modeling at the age of 3. I really enjoy working on and off camera. When I am not on set, I am making my own short films, dancing videos, and stop motion videos with my action figures. I am also working on a YouTube channel with little brother. My all-time goal is to be on Disney and star in my own show like Henry Danger or Sam and Cat.
