Personal Bio

Im very active, postive, and out-going person. I love learning and im not afraid making mistakes. I try to find the good in every situation and I enjoy being a team player. My goals in life are to make other people's lives better and to make others laugh/smile. I can laugh at myself with the best of them. I have many aspirations but I try not to take laugh too seriously. I enjoy playing sports, exercising, going on adventures and expanding my horizons with fun new experiences. I used to train for Mens Physique bodybuilding competitions and i had great experiences with that and it helped shaped my fitness lifestyle. My family is very close. My parents are divorced but they get along. My siblings and I are close. My brother Brady (23) and my sister Georgia (20) look up to me and I try my best to set a good example for them.
