## Personal Bio

I like to watch films and shows. people ask me what type of film or movies I like, I can't seem to pick one. I love to watch romcoms, comedy, action films, and sitcoms. even animation. I enjoy cartoons. I would love to do voice over, and one day I will do voice over for a hijabi superhero, but if I had to pick one. It would choose comedy/sitcom . I love to laugh and make others laugh. I don't like to go out much, but when I do. I like to watch people. Not in a creepy way. I just like to make up stories about how their lives are. And because I am weird like that lol. I am a homebody really. Staying home and daydreaming and fantasizing is what I like to do. I would also like to be a writer one day because of how I put little shows in my brain, why not put it on paper, or in tv. I love to make friends. I just like to help people. I like to draw henna. I have been getting henna tattoos since I could remember. It's part of my culture. I also love food. My biggest reason to become an actress is, I love to entertain. Another reason is I want to give representation for hijabi's everywhere. I would love to make shows that tell our story. The kind that is true, and not gets us attacked for covering up, and for practicing our faith.
