Personal Bio

I graduated from Centennial High School in 2021. I'm currently an apprentice in trade school, with the ultimate goal of owning my own company. My main interests are athletics, business and new opportunities, such as modeling. I've participated in several sports throughout the years, mainly football and basketball, but also track & field in middle school. I've also coached and was a referee for three years through the YMCA youth programs (for grades 1-8). My lifestyle is dedicated to health and wellness. I enjoy working with people and helping them achieve their goals in weight lifting. I like to spend time with my family and friends.
