Personal Bio

I have to say music, sports and reading are at the top of my favorite activities list. I play soccer all year round, skateboard and bike in summer; love to snowboard, ski, and skate in winter; and fill my downtime with books, playing violin and teaching myself piano. I also love to travel. The furthest I have been is Thailand, but Tunisia is a favorite destination, because one of my grandmothers lives there. I also am fluent in French, which is helpful when I visit her!
