I've recently served as an Interim Associate Pastor at ELCA suburban churches since Seminary Graduation 2020. In addition, I have a background in education: toured as a professional singer, recording artist, actress & author. I am a free spirit with an easy going, patient personality. I am also the mother of four gifted teenagers who are singers, athletes, authors and artists. I am seeking further opportunities to delve back into my passion of acting, voice work, hosting and print.
