Personal Bio

WHO AM I?
I am a Firefighter, a United States Marine, a boxer, a wrestling coach, and most importantly, a husband.

I am a highly goal-oriented person that is infatuated with self-growth/development. I love helping others by inspiring them to believe in themselves and that they can accomplish anything they put their minds to; by leading by-example. I would describe myself as an extrovert whose creativity lets me be an outside-the-box thinker.

GOALS
My long-term goal is to break into the film industry in a hit TV show/blockbuster film.
Short term goal is to make a name for myself as a hard-working/determined professional actor. A professional actor that takes pride in the high-quality performances and work I take on.
