Personal Bio

I am Mexican and Puerto Rican. I'm the oldest of my siblings. I'm very smiley and love to make people laugh once I'm comfortable. I like to be outside and enjoy nature, I'm also open to trying new things. My goal in life is to become a dermatologist and open my own practice one day. I live with my single mother and one of my brothers. I just got into modeling recently and am looking forward to seeing where it takes me. My little brother started before me and loves it, so I thought I'd give it a try. I love getting together with different looks and shooting with photographers. My mom is a professional hair and makeup artist and has been since I was a baby. I grew up loving to play in her makeup and enjoy all things glam! I know what looks good on me and what doesn't.
