## Personal Bio

I'm a Duluth based actor, model & singer/songwriter who's shared stages with the likes of Tech N9ne, Twista & members of Bone Thugs N Harmony to name a few. Fun fact: My first modeling gig was for a local Walmart fashion show when I was in kindergarten! When I'm not acting, modeling or working on music under the stage name "MN Moder", I like to self educate, frequent the gym, go on walks, enjoy a good cup of coffee and share positive messages with others in what has grown to be known as "Modervation". My goals include winning awards in television, music & film, having several businesses and charitable organizations for those less fortunate, doing motivational speaking as well as writing books, and being able to provide for my family due to my success. I look forward to continue growing and making a name for myself within the entertainment industry while being a part of some incredible projects!
