## Personal Bio

I am an active and involved father and husband to our four children and extended family. I enjoy spending time with family at our cabin where we swim, boat, tube, waterski, stand-up paddle board, fish, cross-country ski, icefish and make memories.

I am an avid swimmer, biker and runner and enjoy competing in Triathlons and swim competitions. My volunteer work as a math tutor for kids with Down Syndrome at Gigi's playhouse is very rewarding. I have enjoyed a great working life in technology specializing in computer networking and cyber-security. However, my passion has always been acting and theater. Acting and theater is my focus now!
