**Personal Bio**

I'm all about staying active and engaged. Whether I'm playing basketball or simply taking a nature walk, I love the energy. Superheroes and anime have my heart, their determination to protect what they love strikes a chord, just like with my messy-yet-adorable newborn daughter, the light of my life. Challenges? They're my thing. Crafting music, making real connections, hanging out with my daughter, and pushing myself to be the best storyteller I can be! – that's what I enjoy. One day I'm going to step foot on every even Antarctica, that's one of my dreams. Life for me is all about moving, grooving, and trying to be better than I was yesterday.
